

Tracking

Options for teaching “what to do” in tracking

White (Positive Motivation)

1. dog-handler on the end of the track
2. prey or toy reward at the end
3. “dragged scent” track (tripe, etc.)
4. food in footprints

Black (Negativ Motivation)

1. pole
2. two or three leashes
3. electric collar
4. table work

Way 3: To drag what the dog likes. The motivation is the end of the track.

1. drag over the whole track
2. drag over parts of the track
3. dip
4. corners
5. articles

Way 4: A pice of food in every foodstep. The motivation is the complete track.

1. a square
2. food in the every foodstep. A sign (a smal bisquit) at the end

Compulsion?

Fine-tuning:

- Speed
- Leaving the track
